

# Control your home and your energy use

## Customize Digital Life with an Energy Package

It's amazing how much energy you can waste by forgetting to turn off the lights or turn down the thermostat. Make your home more energy efficient with AT&T Digital Life.<sup>SM</sup> The Energy Package lets you control outlets and appliances from your smartphone, tablet or PC. Now there's no excuse!

### Get the full Digital Life experience

What if you could remotely turn on the porch light and lock the front door at the same time? Now you can, by pairing the Energy Package with the Door Package. Learn about other Digital Life packages today.

#### Door Package

Let someone in the house when you're not home.

#### Video Package

See what's going on with indoor and outdoor cameras.
